

Disney Winnie the Pooh

Candy Box

Instructions:

1. Use scissors or a craft knife to cut out Pooh's body and each of his arms.
2. Take Pooh's body and fold along each dashed line. Make each fold away from you except for Pooh's legs. For Pooh's legs, fold the top dashed line towards you and the bottom line away from you. This will help Pooh sit on the edge of a table or shelf.
3. Glue the tabs to the inside of Pooh's body. The glued tabs will create an open box on Pooh's back.
4. Fold each of Pooh's arms in half along the dashed line and glue the two sides together. Glue each arm to Pooh's sides.
5. Drop a few pieces of candy into Pooh and make a special Easter delivery!

ABOUT THE MOVIE

Walt Disney Animation Studios returns to the Hundred Acre Wood with "Winnie the Pooh," the first big-screen Pooh adventure from Disney animation in more than 35 years. With the charm, wit and whimsy of the original featurettes, this all-new movie reunites audiences with the philosophical "bear of very little brain" and friends Tigger, Rabbit, Piglet, Kanga, Roo—and last, but certainly not least, Eeyore, who has lost his tail. "Ever have one of those days where you just can't win, Eeyore?" asks Pooh. Owl sends the whole gang on a wild quest to save Christopher Robin from an imaginary culprit. It turns out to be a very busy day for a bear who simply set out to find some honey. Inspired by three stories from A.A. Milne's books in Disney's classic, hand-drawn art style, "Winnie the Pooh" hits theaters in Europe and Latin America in Spring 2011; the U.S. release date is July 15, 2011.
