

Let's play a game,
it'll be lots of fun!

Treasure awaits,
you'll know
you've won!

Head to where
you put
your shoes,

and there you'll
find your
first clue!

Shine that smile
is what I do,

Look me up, for
your next clue!

Clue #3 sits
and waits,

in the place
where you put
your plates!

I like to keep
things very cold,

You're one step
closer to the gold!

Open me
to see
the street,

this is where
you'll find
your treat!
